

The United States Senate has confirmed the nomination of Philip Clayton, of Georgia, to be Consul at Valparaiso. Mr. Clayton was Assistant Secretary of the Treasury to Howell Cobb, under Buchanan's administration, and both resigned office at about the same time to take part in the rebellion. Mr. Clayton occupied the position of Assistant Secretary of the Treasury under the Confederate government for about a year, when he resigned. He voted for Grant in 1868, and has ever since acted with the republican party.

The Washington correspondent of the Baltimore Sun says: While the House was in committee of the whole on the Indian appropriation bill, to-day, Mr. Rainey, of South Carolina, was called to the chair, and occupied it for nearly an hour. This is the first time that a colored man has sat in the chair of the Speaker of the House of Representatives, and it was the occasion of much comment on all sides, as an indication that the world moves.

UNDERWOOD'S Cotton Chopper and Cultivator.

THIS is a North Carolina invention, and will become to the Cotton Planter what the McCormick Reaper and Mower is to the Western farmer. Col. McKay, one of North Carolina's best men, says: "His value to a farmer can only be appreciated by those who give it a trial. I made a special examination of its work, and pronounce it a thorough success. It bars both sides of the Cotton at the same time, much better than can be done by the ordinary plow, and chops out the surplus Cotton, leaving the hills 12 inches apart, and it thoroughly cleans the Cotton of grass. It was tried on land abounding with the usual number of stumps on my farm near Fayetteville, N. C. It worked beautifully. There was no clogging or difficulty in passing stumps. It was drawn by one mule." Call at C. A. Reed's and see and purchase the machine. Price, \$35 for Chopper, by itself. No. 11 Cotton Chopper, with double scraper and single sweep attachment, only \$37.50.

OLD SCHOOL CLAIMS.

TO THE PUBLIC.

THE attention of all whom it may concern is called to the following sections of an Act of the Legislature, approved March 3rd, A. D. 1874.

SECTION 1. That the school commissioners of the several counties of this State shall proceed forthwith upon the passage of this act, to report to the county treasurer of their respective counties the number and amount of past due school claims up to the first day of November, 1872, remaining unpaid in their respective counties. Provided, That all school claims issued prior to the first day of November, 1872, shall be paid first, as prescribed in this act.

SEC. 2. That the county treasurer of the several counties of the State, upon receiving such reports, shall devote the poll tax collected in their respective counties to the payment of the claims so reported; and also, whatever surplus may remain of the fund raised for the support of the widows and orphans of those killed on account of their political opinions, in those counties where such levy has been made; and should the amount of poll tax collected in any county, in the first year after the passage of this act, be insufficient to pay the whole of said claims, then the county treasurer of such county shall pay out the same pro rata, and continue the same from year to year, until the whole amount of such claims shall have been paid, endorsing each partial payment on each claim, and the party receiving such partial payment shall receipt to such treasurer for each partial payment, to be used as a receipt to be kept filed by such treasurer as his voucher.

Persons interested will present their claims to the undersigned at his office at Anderson Court House on or before Saturday, 16th of May next.
